ESSA Hawaii Qualified Teacher

How to Access the School Summary Report in eHR for HQ

School Year 2025-2026

For instructions on accessing the eHR for HQ site, please refer to Document 1f of the ESSA HQT Handbook.

Click on the “School Reports” tab or icon to enter the school reports page.

On entering the school reports page, the school summary will display. The summary includes percent HQ/NHQ, trend of HQ/NHQ classes by beginning and end of year, and finally, the trend of HQ/NHQ teachers.

In the trend section of the summary page, hovering over sections of the graphs will also bring up a pop-up with details on the region the mouse cursor is closest to.

Note that by clicking on the key entry you can also toggle the display of that key element. Below we click on the “NHQ Classes” key entry to hide the NHQ classes and only display the HQ classes. Clicking the key again will toggle the display on.
