For instructions on accessing the eHR for HQ site, please refer to Document 1f of the ESSA HQT Handbook.

Within the School Reports tab, there are additional reports available in addition to the summary report for your school. The reports are as follows:
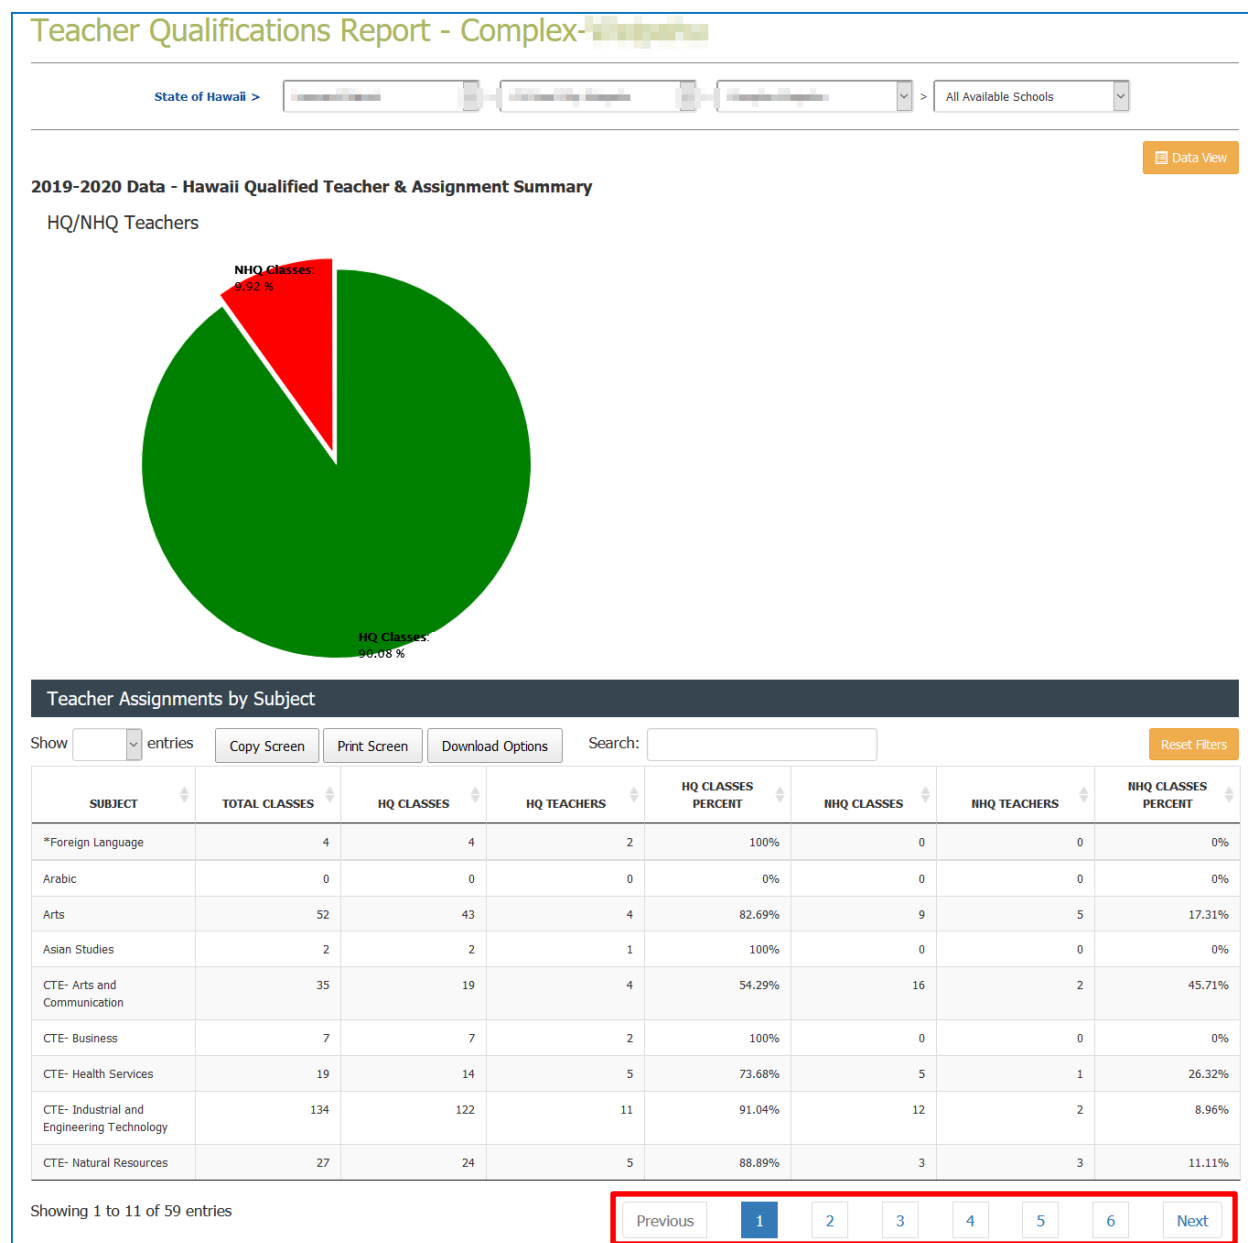

• Teacher Qualifications	Displays HQ/NHQ teachers and HQT by subject
• Non-Hawaii Qualified Teachers	Displays list of NHQ teachers
• NHQ History Report	Displays current and past NHQ teacher for school year
• Assignments Preview	Displays assignments from SIS or eHQ (non-SIS PCS)
• Individual Progress Report	Displays a monitoring report for your NHQ teachers
• Equity Plan Report	Displays licensure status of your teachers
The "Teacher Qualifications" report is partially included in the summary page, and provides a school's overall HQ/NHQ percentage and counts/percentage by core subject area. It differs from the summary in that the chart/graph allows for "drill down" using the "Data View" button to view the underlying data (the teachers and their assignments or HQ records).
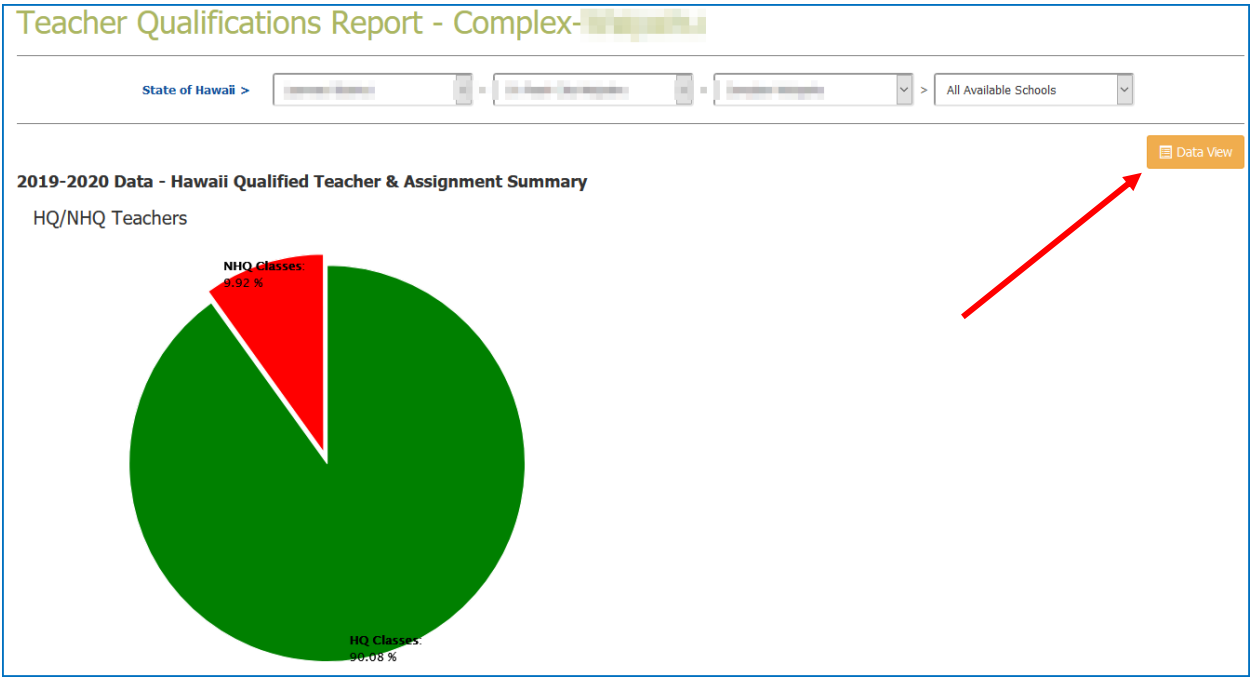

The second half of the Teacher Qualifications Report (Data View portion) displays the HQ/NHQ class and teacher counts by subject. You can page through the different subjects and select the subject you want to view by clicking on the subject area of interest.
