

HAWAI'I CERTIFICATION INSTITUTE FOR SCHOOL LEADERS  
PRINCIPAL CERTIFICATION PROGRAM  
PRINCIPALSHIP READINESS VIDEO  
SCHOOL YEAR 2025-2026

Your readiness into the Hawai'i Certification Institute for School Leaders (HICISL) Principal Certification Program is a critical component to consider as this is the step to eventual principalship. In order to clearly understand your own readiness and be able to describe it, using the Principal Certification Program LEADER LOOK FORs (Attachment 4), create a video, no longer than 5 minutes, describing your leadership experience and evidence for each of the six (6) standards of the Profile of An Effective School Leader.

Although it is not expected for you to have exhaustive leadership experience in all six (6) standards, readiness into the Principal Certification Program requires a foundation in all six (6) areas and the accessibility to continue cultivating and growing your leadership dispositions, knowledge and skills in all areas.

5-minute video:

- Present your authentic leader self;
- Use the standard's titles in your video. For example, "Standard 1 - Keeping a clear focus on student learning, growth & achievement at all times."
- Upload your video link to your application; and
- Upload your video link here: [bit.ly/PrincipalCert-Videos25-26](https://bit.ly/PrincipalCert-Videos25-26).
